Children's Behavioral Health Initiative (CBHI)

CBHI is an interagency initiative of the Commonwealth's Executive Office of Health and Human Services whose mission is to strengthen, expand and integrate Massachusetts state services into a comprehensive, community- based system of care, to ensure that families and their children with significant behavioral, emotional and mental health needs obtain the services necessary for success in home, school and community. Youth covered by the new Mass Health services include ages 0-21. For more information about CBHI, visit **https://www.mass.gov/childrens-behavioral-health-initiative-cbhi** (/childrens-behavioral-health-initiative-cbhi)

The Impact Center

We are a safe, welcoming, peer-led center for young adults age 16-24 who are looking to connect to resources in the community. We help youth connect to community services including mental health, recovery support, housing, resume building and job opportunities. The Impact Center is a program of the Gándara Center and funded by the Massachusetts Department of Mental Health and the Department of Public Health.
